

## Peace Be Still

### Capo 2

**D**            **G**                            **Em**                            **C**  
Though the earth should change, mountains quake and seas rise above us  
**D**            **Em**                            **C**                            **A7sus**  
God is our refuge and strength, a present help in times of trouble  
Though waters roar, thunder quake, and fears come upon us,  
God is our refuge and strength, a present help in times of trouble

**G**                            **D**                            **Em**                            **A7sus**  
Peace be still, peace we find, peace you bring into our lives  
Peace be still, peace we find, peace you bring into our lives

Though nations roar, kingdoms fall, and wars come upon us  
God is in our midst, in our hearts, and moves among us  
In times of need, in times of pain, in times of injustice  
God is in our midst, in our hearts, and moves among us

CH

**Em**    **D/F#**    **G**  
The one who made creation, the healer of the nations, the king of liberation  
**A7sus**  
knows our name and knows our face  
Holy God of Jacob, restorer of the broken, hope of all the earth, and lover  
of my soul

Though the earth should change, mountains quake and seas rise above us  
God is our refuge and strength, a present help in times of trouble  
In times of need, in times of pain, in times of injustice  
God is in our midst, in our hearts, and moves among us
