Thy nature and thy name is love
Thy nature and thy name is love
Hell, earth, and sin, with ease overcome
Thy nature and thy name is love

Em C D G D\# (A7sus)
Creator, Lord of all
Sustainer, of my soul
Giver of dignity
To my neighbors and enemies

Redeemer of all creation
Sojourn to all depths
Set the captives free
You made strangers into a family
You made strangers into a family

Creator of new beginnings
Sustainer of earth's toil
Giver of hope's true promise
To the out casts and least of these

The ending we move towards
Is an ending that begins in you
The last words you will speak
Behold I make all things new
Behold I make all things new

Em D\# C A7sus
Creator, Redeemer, Sustainer of all
